

37TH WORLD YOUTH DAY

Lisbon, 01–06 August 2023

Dear group leader,

Our meeting in August 2023 is getting closer. We are pleased to provide you with some essential information and deadlines so that you can better manage your group's registration and have the chance to live this great opportunity that the Lord is offering us.

You are currently in Phase 2 of your registration. It is very important to complete the process and pay your contribution in order to guarantee your group a timely allocation of accommodation (if included in the package you have chosen) as well as places for the main events.

We would like to remind you that:

- Passports of pilgrims requiring visas must be valid until at least November 1st, 2023.
- In order for priests to be accredited for the main events and concelebration, their data have to be entered in the appropriate section of the group registration form before June 25th 2023. By the same date, the following files have to be uploaded for each of them:
 - One passport sized photograph (3x4), on a white background, with good resolution, maximum size 2 MB;
 - Declaration of Clerical Status (pdf template available for download) duly completed, signed and sealed.
